1. DIRECTIONAL VOCABULARY

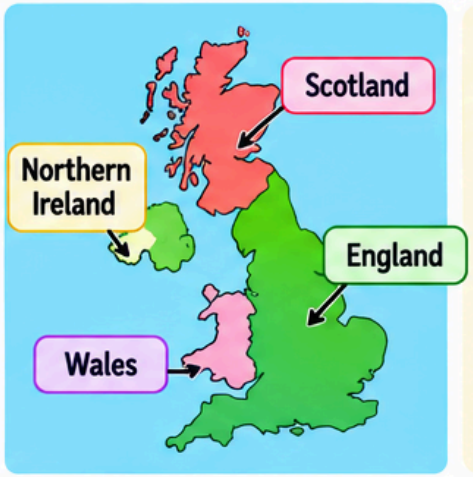

Next to means beside something.

Near means close.

Far means a long way away.

We use direction words to say where things are.

2. WHICH COUNTRY DO YOU LIVE IN?

We live in England.

England is part of the United Kingdom (UK).

The UK has four countries:

- England
- Scotland
- Wales
- Northern Ireland

I can point to England on a map of the UK.

A map is a picture of a place, often seen from above.
A map key tells us what the symbols mean.
A playground map might show trees, play equipment, netball pitch, benches, football pitch and hopscotch.

4. AERIAL PHOTOGRAPH

An aerial photograph is a photograph taken from the air.

It lets us see a place from above.

Look for roads, houses, trees, fields and other features.

Features are things we can see in a place.

I can describe what I notice in an aerial photograph.
