

Spellings will be given out on each Friday with a Spelling Test the following week.

Homework (Spellings, Grammar, Reading and Maths) will be given each Friday to be handed in on the following Thursday.

Please continue to access SeeSaw at home.

Can you become a times tables rock legend?

PE days are:  
4D: Monday and Thursday (swimming)  
4C: Monday and Wednesday.

## Year 4 Spring Newsletter

We hope you have had a wonderful break, filled with rest and relaxation, ready for a busy Spring term! We have lots of exciting learning happening this term including: exploring what goes into a 'lovely lunch' in DT, our local area study in history and looking at where food comes from in Geography.

As always, please remember we have the Multiplication Check coming up in June, so please continue to practise your times tables whenever the opportunity arises. [www.mathsframe.com](http://www.mathsframe.com) is a like for like replica and we heavily encourage you to practise on there.

If you have any questions please do not hesitate to contact a member of the Year 4 team.

### Key Information & Reminders:

#### Reading

We cannot stress enough how important it is for your child to read at home! Your child can read independently or with a family member. Whilst we do expect that your child reads their reading book, which has been given to them from school, we also really encourage your child to read for enjoyment too, whether it is David Walliams or a magazine - after all, variety is the spice of life! Whatever your child has read, we ask that you please add it to their reading record so that the Year 4 team can track this.

#### Homework

Homework sheets will be sent home and put on SeeSaw. These will include spellings, reading and maths questions.

#### Water Bottles

Don't forget to bring water bottles - it is important for the children to stay hydrated throughout the day. Please put a label on bottles, they can refill them in school.

#### PE Kits

White t-shirt  
Black Shorts  
Pumps  
Trainers (outdoors only)  
No Logos!

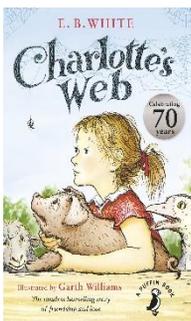

On PE days, children must come to school with their PE kit ready to get changed into before the lesson.

If swimming, we ask that the children come to school with their suit on underneath. 4C will begin their swimming lessons in February.

## English

Our text for our English lessons will be 'Charlotte's Web'. We will be looking at subordinating clauses and how to use them effectively. We will be also working towards writing our own narratives and using punctuation correctly.

## PSHE Dreams and Goals

This half term we will be thinking to the future and how we can work towards our goals.

## R.E. What does it mean to be a Hindu in Britain today?

We will be beginning to explore what life is like for Hindus within our community.

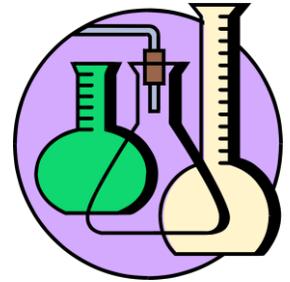

## Computing Spreadsheets

We will be exploring how we can use spreadsheets to look at data and the uses that can have within our lives.

## Science

We will be building on our knowledge of plants, animals and habitats. We will be further looking into how fossils occur. We will continue to work on our scientific skills on how to create fair observations and tests.

# Year 4 Spring 2024-2025

## Maths

### Multiplication and Division

We are continuing on with multiplication and division, and how to use different methods to help us solve different problems.

We are also focusing even more on our times tables, ready for the Year 4 Multiplication Check in June.

Get on TTRockstars... if you want to be the best, you have to practise!

## Geography

Where does our food come from? We will be looking what we eat and where it comes from. We will track food miles and be looking at what is fresh produce.

We will also be working on our map skills, locating countries around the world and their cities.

## History

### Our Local Area

We will be studying our local area and looking at Salford in the past vs now. We will be making comparisons and even take a trip to look at the changes.

## Art

### Claude Monet

This term, we will be looking at the work of Claude Monet, and the impressionist movement. We will be working up to make our very own painting inspired by him!
